Q1 PREFERRED QUALITY STATUS

HAKKIMIZDA

Nesan Otomotiv, 1980 yılında İzmir'de otomotiv sektörüne hizmet etmek amacıyla kurulmuş bir yedek parça üretim tesisidir. İlk olarak traktörlere kontak anahtarı üreterek sektöre adım atan Nesan, zaman içinde sektörde yarattığı rekabetçi fiyat ve yüksek kalite sayesinde önemli ve büyük OEM firmalarının dikkatini çekmiştir. Müşteri odaklı çalışarak zaman içinde ürün portföyünü genişletmiş ve halen üretimini sürdürdüğü 8000 m²'lik modern ve teknolojik entegre tesisinin bulunduğu Menderes ilçesine taşınmıştır. Bu yeni tesisinde plastik ve metal enjeksiyon, presleme, bakalit, kaynak, kalıphane, vulkanizasyon ve talaşlı imalattan oluşan alt yapısıyla, tasarım ve tersine mühendislik çalışmalarıyla tüm ürünlerini kendi tesisinde üretme yeteneğine sahiptir. Her geçen gün ürün çeşitliliğini arttıran Nesan, bugün itibariyle ürün portföyü olarak sektörünün en önde gelen firmalarından biri konumundadır. Tesisinde kontak, far, sinyal ve korna anahtarları, çeşitli müşirler, devre kesiciler ve marş röleleri gibi elektromekanik; yağ, yakıt ve adblue depo kapakları, boğazları ve filtreleri, kapı kolları ve kilitleri gibi mekanik birçok ürünün üretimi yapılmaktadır. Bu ürünler başta yurtiçi ve yurtdışı OEM firmalar olmak üzere yüksek kalite ve uygun fiyat politikası ile müşterilere sunulmaktadır. Ayrıca Nesan, ağır ve hafif ticari araçların tüm kilitlenebilir parçalarını tek tip şifreli anahtarla set olarak üreterek "Tek Anahtar Projesi" adı altında Türkiye'de bir ilke imza atmıştır.

Gelişen teknoloji, kalite sistemleri ve firmaların etkin üretimlerinin kanıtı olarak gösterilebilecek olan sertifikalar son dönemde firmaların üretim şartlarını iyileştirmesinde önemli rol oynamaktadır. Sahip olduğu ISO 9001:2000, ISO TS 16949:2002 ve ISO 14001:2005 kalite ve çevre belgelerinin gerektirdiklerini başarıyla uygulamaktadır. Ayrıca Nesan, Ford firmasının Q1 kalite sertifikasını da elinde bulunduran global bir firmadır.

Kuruluşundan bu yana teknolojik gelişmeleri yakından izleyen ve kalite hedeflerinden taviz vermeden üretim yapan Nesan, deneyimli teknik kadrosu ile müşteri memnuniyetini her zaman için önem düzeyinde ilk sırada tutmakta ve sürekli iyileştirme gösteren bir anlayış ile yerli ve yabancı tüm müşterilerine hizmet etmeyi sürdürmektedir.

ABOUT US

NESAN Otomotiv is original and spare parts manufacturer who was established in 1980 in Izmir, west of Turkey. Primary production focused on ignition switches for farm tractor, and NESAN drawn attention of well known OEM companies of Turkey due to its competitive prices and high quality. Working on customer oriented, NESAN enlarged its product range and moved to its current 8.000 m2 modern premises.

NESAN has the ability and capability of manufacturing parts by using such processes as injection moulding, machining, pressing, welding in-house tooling either by co-designing or reverse engineering. While increasing its product range, NESAN has become a leading company in the sector. Product range includes various electromechanical parts like ignition, headlight, signal, pressure, battery cut-off swithces, and mechanical parts like filler caps, door locks&handles, filler necks&strainers. These products are supplied to mainly OEM customers with reasonalble price and high quality. NESAN is the first local manufacturer to supply single key set to vehicle manufacturers in Turkey.

As being the proof for developing technology, quality system and effective manufacturing quality certificates play a key role to improve manufacturing conditions of the companies. NESAN fulfills the conditions of hold certificates of ISO 9001, TS 16949 and ISO 14001 with success. In addition, it holds Ford Q1 certificate as a global player.

NESAN, who monitors all technological developments in close and manufactures without compromising quality, continues to serve its local and foreign customers in conception of maximum customer satisfaction and continuous improvement with its experienced staff.
